

HOW TO TRANSFER FROM THE AIRPORT TO YOUR APARTMENT (AND BACK...)

Once at the airport

When you get out of the luggage zone of Terminal 1, go to your left. Withdraw cash from one of the ATM machines - that is the best way to exchange. 1 EUR = approximately 27 CZK. Usually your bank charges a fixed fee +%, so it is better to withdraw bigger amount at a time (but not more than you would want to carry with you)

Then:

■ TAXI

AAA taxi The most simple and recommended solution. It will cost you 600 to 700 CZK, they are reliable.

If you really prefer to have someone waiting for you with your name on a cardboard: you can order a City Taxi car by calling **+420 257 257 257** (they speak English). Of course they will need your name and flight details.

■ RENTeGO AIRPORT TRANSFER SERVICE WITH OUR PARTNER DRIVER

Our partner driver awaits you at the airport and drives you to the apartment. This is especially recommended for lastminute reservations since there is not enough time to send you keys in advance. The price is comparable the standard taxi so it is a good deal.

● How to book a transfer

1. Please provide us with the necessary information via this form:

https://docs.google.com/a/rentego.com/forms/d/1JgNi13LKggz4omgVvO6N91FHn5F-df_ybz-VEuSWNg0/viewform?c=0&w=1

2. Our Team will contact you in case our partner driver is not available (but this almost never happens) and we will propose you another solution. We will contact you also in case the driver will be handing you the key of the building (in case we are not able to post it to you in advance).

3. After arrival

Our driver will be expecting you at prearranged place with a sign with your name (at the airport – Arrivals hall, train/bus station – Burger King restaurant). He will drive you directly to the apartment and answer all your questions (he speaks English).

4. Payment

Please proceed with the payment directly to our driver in cash (in euros or in czech crowns).
